

Eco Promotional Products, Inc. (EPP), a certified B Corporation and certified Woman Owned Business, is leading the way in creating a more sustainable and equitable future. Your company and brand can be a part of the solution too. This holiday season, give a gift of appreciation with purpose.

Responsible Packaging

Reduced packaging, reusable packaging, and personalized packaging doubling as cards help to reduce waste, save energy and water, and minimize your carbon footprint.

B Corp, Responsible Packaging, Double Donation, Waste Reduction

Giving Back, Double Donations

EPP plants a tree seedling through Trees for the Future for every invoiced order. We also offer additional givebacks on over 30% of our products, supporting meaningful causes devoted to sustainability and social justice.

Responsible Packaging, Multipurpose packaging, Waste Reduction

Diverse Owned Businesses

Investing in products supporting diverse and marginalized businesses is an investment for an inclusive future. Take a step toward creating a more equitable economy for all.

Diverse Owned, Waste Reduction, Double Donation, Responsible Packaging

Diverse Owned, Waste Reduction, Double Donation

Waste Reduction

Seeded holiday cards, apparel made from post-consumer recycled water bottles, and reusable items replace single-use products. Choices with long-lasting effects add value and make endless impressions.

Maximizing Your Investment

Everyone loves getting food as a gift. Choose products that last even after the treat is gone. Pair with a seeded holiday card, the flowers or herbs that grow after the card is planted will be the gift that keeps on giving.
