### Bamboo & Recycled Glass Award

Made in the USA from bamboo and recycled glass. Sand etching on the glass and laser engraving on the bamboo gives you a broad range of decoration options. The recycled glass tiles are made entirely from a mix of post-industrial & post-consumer materials here in the USA. The sealer applied to the finished bamboo is hand-rubbed, boiled linseed oil, not a high-V.O.C. lacquer or varnish. Includes engraving on the glass tile and bamboo.

Size: 4" x 6"

**Sale Price: 48.00 ea.** (was \$70.30)
